

# VERSATILE BRED GSP LITTER

**VC Axel vom Stillwater**

**Friedelsheim's Forté NA I UT I**

Friedelsheim GSPs is proud to announce our February 2010 litter between VC Axel vom Stillwater and Friedelsheim's Forté UT I. This breeding has a very strong emphasis on producing a dual quality versatile hunting dog for the field and for the family. Combined Axel and Timber will produce an honest, versatile gun dog that has great field ability and super strong water desire. Whether testing, campaigning or hunting, the puppies from this litter will truly shine. Both sire and dam are OFA Excellent. This litter will be AKC and NAVHDA Registered.
